U n t a n g l e Your Catering Orders

About Us

America To Go is a website that allows you to order online from area restaurants and keep track of all your meal expenses. Our mission is to make ordering food, tracking orders and accounting for expenses easy, while delivering outstanding service.

America To Go works in close partnership with restaurants and caterers in your area to ensure the highest quality and service. Our system provides online access to a wide range of popular cuisines and offers everything from individual meals to high-end catering.

Plus America To Go's dedicated customer service gives personal Attention to every order and is always ready 24/7 to answer questions and offer assistance.

Online Ordering

- Get assistance whenever you need it with 24/7 Customer Service
- Customize your orders with features like 'Favorites' and 'Special Instructions'
- Search menus online from restaurants in your area

Streamlined Accounting

- Receive one electronic bill for all orders
- Customized reporting based upon your company's spend policies
- Access your company's entire order history on a searchable, secure site

Setting up an account is easy, and free

Give us a call, answer a few questions and we'll have your custom account up and running in no time. Best of all, there is no charge to use America To Go.
